The Committee’s functions shall, at a minimum, include those required by The Nasdaq Stock Market LLC (the “NASDAQ”) or the New York Stock Exchange (the “NYSE”), as and when applicable, the Securities and Exchange Commission (the “SEC”) and the Federal securities laws.

II. COMMITTEE MEMBERSHIP

The Committee shall consist of at least three (3) directors appointed at least annually by the Board. Unless specified by resolution of the Board, the Committee shall appoint a chairperson of the Committee to preside over meetings of the Committee. At such time as the Company shall be listed on a national securities exchange and prior to the appointment of such members and annually thereafter, the members of the Committee shall each have been affirmatively determined by the Board (i) not to be an officer or employee of the Company, (ii) to have no relationship that would interfere with their exercise of independent judgment in carrying out the responsibilities of a director and Audit Committee member and (iii) to be “independent” under (x) the rules of the NASDAQ and (y) the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated by the SEC thereunder (collectively, the “Exchange Act”).

In addition:

- No member of the Committee shall have participated in the preparation of the financial statements of the Company or any then-current subsidiary of the Company at any time during the three years preceding the date of the annual determination of independence, subject to the qualification regarding independence provided above;
- At such time as the Company shall be listed on a national securities exchange, no member of the Committee may serve simultaneously on the audit committee of more than two other public companies.
- Each member of the Committee shall be “financially literate,” as such qualification is interpreted by the Board in its business judgment, but at a minimum must be able to read and understand fundamental financial statements of the Company, including its balance sheet, income statement and cash flow statement; and

- At least one member of the Committee shall (a) have past employment experience in finance or accounting, requisite professional certification in accounting or any other comparable experience or background that results in such member having financial sophistication (as determined by the Board in its business judgment), including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities and (b) be an “audit committee financial expert” within the meaning of Regulation S-K under the Securities Act of 1933, as amended (the “Securities Act”), and the Exchange Act.

The Board may from time to time remove any member of the Committee and fill any vacancy on the Committee.

III. MEETINGS

The Committee shall meet at least quarterly, or more frequently as circumstances dictate. The Committee shall meet at least annually with management and the independent auditors in separate executive sessions to discuss any matters that the Committee or either of these groups believe should be discussed privately. The Committee may ask members of management or others to attend the meetings. The Committee is authorized to obtain all pertinent information from management.

Except as otherwise provided herein or by the Organizational Documents of the Company, the frequency, location, and operation of meetings and similar procedural matters relating to the Committee shall, to the extent applicable, be the same as those that relate to meetings of, and procedural matters governing, the Board.

IV. ENGAGEMENT OF INDEPENDENT AUDITORS

The Committee shall have the sole authority to appoint, retain, compensate, evaluate and terminate any independent auditors engaged by the Company for the purpose of preparing or issuing an audit report or performing any audit, review or attest service. Any independent auditor engaged for any such purpose shall report directly to the Committee. The Committee shall approve in advance any fees to be paid to the independent auditors. The Committee shall work with management and the independent auditors in resolving any disagreements between management and the independent auditors regarding financial reporting.

The Committee shall 1) obtain a written statement before engaging the independent auditors and on an annual basis thereafter describing any relationships between the independent auditors or any of its affiliates and the Company and persons in a financial reporting and oversight role at the Company in accordance with the applicable requirements of the Public Company Accounting Oversight Board (“PCAOB”) regarding the independent auditor’s communications with audit committees as to independence, 2) discuss with the independent auditors the independent auditors’ independence and 3) ensure that it receives from the independent auditors any other written disclosures and letters required by the PCAOB with respect to the independence of the independent auditors. The Committee shall discuss with the Company’s independent auditors

their independence, including any disclosed relationships or services that may impact the auditors' objectivity and independence. The substance of such discussion shall be documented in writing. If deemed appropriate by the Committee, the Committee may take, or recommend that the Board take, appropriate action in response to the independent auditors' disclosures to satisfy itself of the auditors' independence. The Committee shall also confirm with the Company's independent auditors that the independent auditors rotate (a) the lead (or coordinating) audit partner of the audit team as well as the concurring or reviewing partner at least once every five fiscal years and (b) any other audit team members within any applicable period required under Regulation S-X under the Securities Act and the Exchange Act. Additionally, in order to ensure continuing auditor independence, the Committee shall periodically consider whether to rotate the independent audit firm itself.

The Committee shall, at least annually, obtain and review a report by the independent auditor describing:

- the independent auditing firm's internal control procedures; and
- any material issues raised by the most recent internal control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.

into account the opinions of the Company's management. This evaluation and review shall include a review of the lead audit partner.
